MR. G. W. BALLARD

"As soon as our beloved Catherine began to sing the "CALL TO LIGHT," it was as though I were looking, consciously, knowingly and expectantly—although I did not outwardly know this—toward an entrance from the Ascended Masters' Octave. In a few moments, I saw a Crystal Door like a Great Diamond and around It was a Mighty Radiance. As this Door opened, the Goddess of Light stepped forth into the human octave. I never knew such a thing was possible, but She has opened the Door of the Ascended Masters' Octave to the earth. It is an unheard of thing in the history of the world, and means surely the Victory of Light to America. (applause)

"My gratitude was so great I sobbed within. It was almost uncontrollable, for to a small degree I know what that means to our beloved America, to our people, and especially to the beloved students who have been so earnest, sincere and faithful in their adoration to the Light and the Great Presence—the 'Mighty I AM.'

"We have called so earnestly that as soon as the Great Wisdom would permit, some Outer Manifestation would begin to take place in the presence of many people which would give them the satisfying conviction within, of the Reality of the Great Cosmic Light and Great Cosmic Beings.

"If mankind understood the Reality, the Power, the Beauty and the Perfection of These Great

Beings of Light—of course there is limitless evidence before them; but since humanity have so long been held within their own human discordant creation, it is not surprising that, occasionally, people require a little time to adjust to these greater Ideals and the Truth which their own Life actually is. So I think I shall never be impatient again at anything.

"Even with all that has been said, I did not know until to-night, the Power of the song, 'CALL TO LIGHT.' I felt It tremendously when It came forth and when Catherine sang It before; but I did not know until to-night what It means to you and our beloved America. It has opened the Door of the Ascended Masters' Octave, which will continue to pour Its Mighty Light-Substance into America and the earth.

"Since it occurred here in Chicago, will you all consider this a most sacred Sanctuary? There was a Divine Action in obtaining this lovely place. To-night, this Transcendent Out-pouring has been so fitting after the close of last night's class."

The Goddess of Light then dictated the following:

· GODDESS OF LIGHT ·

HILDREN of earth, who have become the Children of Light, I greet you in the Name of Wisdom and the Power of Light! The Light which is within you is expanding with great rapidity; and may you retain and sustain this height of vibratory action to which you have been raised during the class which has just closed.

It is quite true, the "CALL TO LIGHT" is the song I sang and which brought Me release from that which the black magicians imposed upon Me

in an unguarded moment. By It, I freed myself and have been able to be instrumental in consuming the war entity of the world. How great has been My Privilege to be the One to open the Door into the Ascended Masters' Octave of Light; that the Great Light-Substance may continue to pour forth into America and the world.

Will you all, for this is to be conveyed later to the entire body of students, hold It a most sacred Memory for the remainder of your embodiment here; or until your Ascension, if you make it here in this embodiment? Hold forever a most Sacred Memory of this night; for to-night starts into action the Mighty Spectacle of the Cosmic Light! As this Light goes forth spreading Its Radiance, you will find, beloved ones, that all unkindness toward the Messengers and This Work will steadily and surely dissolve and disappear.

I said to Saint Germain: "this unkindness must no longer continue. These blessed ones have brought the Freedom to America and I believe, to-night, to the world or shall I say the earth. Let us rejoice that in their humbleness, they will not accept any credit to themselves but your great Love and that from the body of students which is ever increasing now with great speed and power, they pass to Us to render this Service to America.

We may not tell you, beloved ones, all the conditions that have existed up to to-night. It would be very unwise to draw your attention to the conditions that even exist in your America except enough that you may understand and make your maximum application. Enough is understood, to-day, to enable you to call forth the utmost Power in your application.

I am sure those of you who are here to-night would need no encouragement, were you to understand how the Mighty Decrees that have gone forth have released the people. You cannot possibly estimate in the outer the magnitude, the majesty, the power, the release that is coming to mankind—to thousands and thousands of people who have not yet touched the Ascended Masters' Understanding of This Work. It is so far reaching.

To-night, in this powerfully charged atmosphere, will you please understand that everything you put forth in your call to the Presence—in your Mighty Decrees for protection or otherwise—goes forth into the mental and feeling world of mankind, which is One throughout America. The Great God of the Air and the God Himalaya have so adjusted the Air Currents, that your call first passes throughout your America where the first need is greatest for the protection and awakening of the people of America into loyalty to America and the call that gives the protection; then to spread Its Radiance on and on.

The mental and feeling world of mankind are one. Please remember that in every particle of your application. Remember! when you call on the Law of Forgiveness, call on the Law of Forgiveness for ALL mankind's mistakes. Do you know what that one particular activity will do? You, as one atom in the body of mankind have the authority, have the right, to call on the Law of Forgiveness for all mankind; because many of humanity do not know that this is necessary. You who do know, have the right to call. By that call, one day, it will bring them to the point where they too will call on the Law of Forgiveness for their own and all mankind's mistakes.

Do you realize what a magnificent activity is in that one expression of Life? For centuries, mankind have made these mistakes repeatedly—again, again and again. Now, Life has offered the people the opportunity to step out; and in their call on the Law of Forgiveness and the use of the Violet Consuming Flame, dissolve and consume all that has been accumulated. They do have the right, the Power and the Authority to rise and step out of those accumulations of the centuries.

Therefore, take advantage of all that is being offered with such great Divine Love and Graciousness from the Great Beings of Light. Without Them, you would not last one year in the outer conditions that exist to-day.

Oh, what a pitiful sight it is, to see those who once loved the Light turn aside by listening to vicious gossip! One who lived so near the Great Light in the beginning of the Messengers' work, turned aside and the Light has almost closed away from her. What a pity! What a pity! It was all because of jealousy of the Messengers. Beloved ones, I think many of you know who I mean. Call for that one to be released; so she may again release the Light which was expanding so brightly within her and that would, even now, carry her forth into the great Freedom, which she of her own volition shut off. I say, try to help her.

So in all that you do, even if sometimes individuals caught in the clutches of human conditions become vicious, still call the Presence of Light, their own "Mighty I AM Presence," to enfold them; and to cut them free from the claws and the net-work of destruction into which they have been drawn. Ere long, that will become one

of your Mighty Decrees. A special Decree will be given of which you will be informed for that specific purpose. It will be to release those whose Light has been so lovely; and who have by evil influence been turned aside, that even those destructive forces may not hold them. It means a great deal, when an individual willingly determines to turn aside.

Let Me explain to you to-night: the Great Cosmic Law, the Great Cosmic Light through Saint Germain, has chosen these Messengers who are strong enough to live a clean, pure Life and stand against the impact of every bit of destruction of human viciousness. They have proved to you and your city their ability to do this. That should be an example to all mankind of the Power of this Light.

I want to say to you, that if good were not to come out of the experience which occurred at your class recently, this Messenger could have stood and without a word released the Power of a Light Ray and those individuals would still remain standing in their tracks; but he would not do it. Therefore, the Light has corrected and transmuted all that might have been viciousness into a great great blessing; and even the hearts of those who instigated the condition are in agony to-night.

Therefore, I urge you, beloved ones, to face all conditions of Life in a great calmness; in the Power and Peace of Light; then you will not be caused to do something that would mar the expansion of your own Light.

Remember, the experiences of this beloved Messenger recorded in those blessed books are true. His "I AM Presence" gave the Assistance to David

Lloyd in His Ascension here in the physical world; therefore, that same Power could have been released had it chosen to do so. There are no human persons nor creation that could stop it; but out of this occurrence has really come an Ascended Master Miracle, for which many of you have called. You can all well rejoice that the Messenger was strong enough and calm enough to go serenely on and let it take place. It has been the means of dissolving and removing from your Chicago forever the resistance which has been here for many years.

There are a few individuals yet who are feeling very vicious and unkind, but their viciousness will be returned upon them. I want you to know this to-night. In the Radiance which has been released here and now in the Out-pouring of this Cosmic Light, remind yourselves of It, please, every night as you retire to rest. Let your last memory on going to sleep be the Crystal Door which has opened and which is allowing the Great River of Cosmic Light, the Ascended Masters' Light-Substance, to pour forth into your America, into your industries and into all conditions in your government. I trust, ere long, you will see many satisfactory changes coming about. People will want to do the right thing because their hearts will have seen the Light. Their hearts will have understood, and through that understanding people will have the great desire to be constructive instead of destructive. Mankind has long, long been in the clutches of every sinister activity.

What do you suppose makes what you call a racketeer? There are but very few—perhaps one hundred people—in your America to-day who of

their own volition would be vicious. Think of it! only one hundred people in your America who would of their own volition be vicious. Not understanding the Law of Life they become irritable, jealous or disturbed and open themselves to the claws of the destructive forces and the discordant accumulation of mankind for hundreds of thousands of years. Then, you can understand why that pressure rushes in upon them and they act out things which many times they do not really want to do.

Just as the blessed one who made this charge against Our beloved Messenger, in her heart did not want to do it; but the vicious individual who got hold of her kept pounding at her until his vicious influence caused her to temporarily submit to that kind of thing. Her heart is good. The Messengers know that, and call constantly for her release.

I want you to understand, to-night, that all the earth begins its change to-night! I mean in a greater capacity. Of course the Great Cosmic Light which has been pouring forth Its Waves at regular intervals, has brought a vast change in the general mental and feeling world of mankind, as you observe, but this is a wholly different activity. The opening of the Crystal Door releases an Out-pouring of a concentrated Substance. It is to give added Assistance to the individuals who have turned their faces to the Light and who are loyal, sincere students under Saint Germain's Radiation.

Cosmic Change

There is one unfortunate person in your city who has believed that the Messengers were unnecessary and that she could do all they could. Through such an attitude it opened her to that

which has made things very difficult. Beloved ones, no one on this earth can take the place of these beloved Messengers. Now remember that! The Great Cosmic Light has made it so. When mankind have reached a certain rate of vibratory action there will be thousands in America who will have awakened. They will be so anchored within the "Mighty I AM Presence" and the Direction from It so clear, that there will not be the slightest confusion in that which pours forth from those individuals.

You must realize that anything which comes forth and disagrees with the Instruction of Saint Germain through the Messengers, is not correct. The Ascended Masters by flashing Their Words through this means I am using to-night, to express My own Feelings and Words to you, is the Way that assures Freedom from human concepts, human imperfection. This must be maintained until enough of mankind are so firmly anchored in the Light and so clear in the direction of the "Mighty I AM Presence," that no discrepancy or confusion can come in; but until that time arrives, the Messengers must remain the Authority under Saint Germain for keeping this clean, pure and untouched by human concepts.

I say to the Appointed Messengers, that at no time ever attempt to advise the students wherever you go. Keep turning them back to their "Mighty I AM Presence," and you will save yourself a lot of distress. If it comes to a point of vital importance, turn them to the Messengers. Therefore, all should be absolute harmony.

In the cities where the students are split into various factions and pulling apart; they must understand that such separation must cease. If

everyone of the students in those cities would stop giving attention to each other and instead, turn to the "Mighty I AM Presence," the right feeling would come about in all to give them perfect co-operation with each other. Do you not see how beautiful and how Perfect it would be? There are no such things as factions in the "Mighty I AM." It is only when the human tries to take dominion and dominate its fellow-man, that there is confusion among the students.

To-day, I say to all of you, since this release to-night has begun Its Mighty Spectacle in America, will everyone of you be so dignified, so kindly —yet firm in your speech and reference to This Work, that no one can find a flaw about it? Be absolutely fearless before your fellow-man in speaking of this Mighty Truth of the "I AM." You can well afford to! As you speak with firm confidence about your Great Presence of Life, the "Mighty I AM," mankind will feel your certainty, your assurance, and want to be like you.

I wish to admonish you to be very careful about using any kind of coarse jokes in reference to or in giving expression to This Work. People are expecting a great pure, dignified expression from the people who represent It. Therefore, in your great enthusiasm please be careful about that because if the human intrudes, it will take advantage of every opportunity to cause you to say things which are not proper to say in representing Our Work. If you will watch this particular thing you will find a great blessing to yourselves and an added Love from the people, which will rejoice you very greatly.

So you may try to have a little closer feeling of My Presence I want you to know that I am en-

throned just back of and above the Messenger, pouring My Radiance to you while he is voicing My Words. Try to feel It. Try to feel Our Reality. Please do not discuss this with each other; but just in the great calm feeling within yourself acknowledge and accept Our Reality. If you are getting the feeling of Our Reality and you begin discussing Our Presence with someone who does not believe that We are Real, their force rushes into your feeling world.

When you want to discuss something with an individual, if you are not on guard against what may come from them, it rushes into you and your world, for the feeling world of mankind is one. That is what has disturbed many many people. They are raised by their acceptance of Us and Our Radiation to a certain vibratory action; which makes them unusually sensitive to the vibratory action of the other individual as well. If one should prove to be ugly and unkind toward this Wondrous Light, then you receive the impact of that one's feeling and you become disturbed because you are not on guard for the moment. That is what has disturbed so many people.

Just be so firmly on guard in your thought, call and feeling, and on such guard in your speech that at no time do you say anything that could be construed to hurt each other's feelings. I know after awhile that will be impossible; but since many are still functioning in the human, the human is full of self pity and feels easily hurt. If you are hurt, you know you are in the human feelings because the Higher Mental Body could not be hurt by anyone's thought, feeling or speech. Therefore, rest serenely in Self-control in the acknowledgment of the Presence, so nothing can be

said or done that can disturb your feelings. Then, you become anchored and shortly you will see the dominion which is yours.

I thank you so very much for this opportunity to pour My Radiance forth to you. I wish to thank our beloved Virginia, our beloved Catherine and our beloved Vinton for the Radiance which was released this night; and I also thank you who were pouring your Love forth, for thus you amplified It with tremendous power. Remember, this song to-night, the "CALL TO LIGHT," Opened the Door of the Ascended Masters' Octave of Light, Whose River of Light-Substance pours to you in America.

I thank you and bless you forever with the full Power of Life in Its Commanding Presence, in, through, about, above you and into your world of activity to harmonize and produce Its Perfection, for your happiness, your success and for that to which your attention may be directed. May the fulness of Life find Its Perfect Expression through each one forever. I thank you!

Thanksgiving Day begins once again the Mighty Out-pouring of Jesus and the other Ascended Masters for the Seven Transcendent Weeks of this year.

The Great Cosmic Light at this time will greatly increase the Power released and each one of us can call forth such assistance to America and all mankind as will bless them all forever.

Let us all make the most of our opportunity this year to amplify even the slightest constructive activity everywhere and call forth the Ascended Masters' sustaining Power to strengthen, expand and protect all the good we contact.

Every hour of this Seven Weeks is a mighty opportunity and we shall use it to the fullest extent. Every day from now on should be a Thanksgiving Day for us to keep ourselves reminded of the good that is ours, of the privilege Life constantly bestows upon us in the use of this Cosmic Light and of the Mighty Friends we have among the Ascended Masters who constantly stand by our sides to give every possible Assistance for our Blessing, Protection, Supply and the Ascended Masters' Victory and Power of Light.

This year as never before, do we give thanks, praise and gratitude for all the Blessings which are ours; and may we so expand them to bless America and all mankind, that there will not be room on earth to receive all the Glory and Freedom Life holds for us all.

Beloved of the Light! we thank you for your own Precious Selves, the Love you have poured out and all you have done to help us carry this Light. May the heavens open and raise you into your Eternal Freedom and Victory now.

· OUR ASCENDED MASTER MIRACLE ·

WE wish to express our deepest Eternal Love and Gratitude, and to thank every "I AM" Student for the Love, Loyalty, unflinching Courage, Self-control and Assistance with which all handled the intrusion of discord which attempted to touch the Chicago Class.

Mr. G. W. Ballard has never done a dishonest nor dishonorable thing in his entire life and never shall. We have never asked any human being for a thing, not even a dime nor a student list; and all who know us even slightly know THAT IS THE TRUTH!

We have given all and asked nothing in return. Everything we have tried to teach the people is only to help them to be loyal to their own Life, to the Highest Ideals in the Universe and our Beloved United States of America; that they and their loved ones may be protected from the viciousness and war that is whirling in the rest of the earth.

THIS ASCENDED MASTER INSTRUCTION is all that is honest, honorable, True, sound, balanced, intelligent, practical and Perfect. There is not one thing about it which any straight-thinking person cannot accept. It is brought forth in the interest of the public good for the illumination of the people, the protection of America and the Freedom of all mankind. Every human being on earth can prove this Ascended Master Instruction True; and no one can prove It false. It IS THE ONLY PERMANENT SUSTAINED POWER IN THE WHOLE UNIVERSE FOR ANY CONSTRUCTIVE ACTIVITY.

The Ascended Masters and we are determined to sustain every constructive person, place, condition and thing in America that the balance of all constructive forces may be maintained for the whole world!

Whatever anyone does in the defense and expansion of This Activity is just that much added protection and supply for himself, his loved ones, America and the world. We love America as few people can understand, because Our Country is the last hope on earth for the freeing of mankind from the discord into which it has been riding head-long to complete destruction.

Regardless of anything any human being does, this Ascended Master Instruction SHALL BE KEPT FOREVER FREE from human mistakes and viciousness. THERE SHALL BE ONE AVENUE OF ASSISTANCE TO MANKIND WHICH SHALL FOREVER REMAIN UNCONTAMINATED BY HUMAN SELFISHNESS AND MISUNDERSTANDING.

We all called in this Chicago Class for GIGANTIC ASCENDED MASTER MIRACLES AND VICTORIES OF LIGHT AND PERFECTION; to come out of even the slightest attempt to discredit or interfere with the FULL EXPANSION OF THIS LIGHT AND FREEDOM OF ALL MANKIND. THE RECENT OCCURENCE HAS TURNED INTO JUST THAT AND SHALL CONTINUE TO BRING ALL INTO THE FULL ACCEPTANCE OF THEIR OWN "MIGHTY I AM PRESENCE" UNTIL THEY ARE ETERNALLY FREE IN THE LIGHT.

Lovingly and Eternally with you in the Light,

MR. AND MRS. G. W. BALLARD

· VERY IMPORTANT ·

BLESSED ones, and especially parents of children or those who have children under their care: PLEASE DO NOT TAKE STARCHES NOR PROTEINS AWAY FROM CHILDREN IN THEIR FOOD. They need both of these to build good strong muscles and should have the exercise necessary to release the energy which is contained within them.

When we have said for the majority of the grown people to stop eating too much sugar, starch and proteins, it is because the average person does eat too much of these particular substances and does not take exercise enough to help the body eliminate them.

When the body is overloaded with these three kinds of food, the mind becomes dull, the senses sluggish and the energy is used to throw off the excess food instead of being at the individual's command to use for constructive accomplishment.

IT IS JUST AS MUCH OF A MISTAKE TO ALLOW YOUR BODY TO BECOME TOO THIN AS IT IS TO ALLOW IT TO BECOME TOO HEAVY. BALANCE AND PERFECTION ARE ALWAYS THE LAW OF THE ASCENDED MASTER AND THAT IS THE LAW OF LIFE. It is the only sensible thing for anyone to do.

So in all you do, please remember to keep everything in your body and world in the right proportion; and you will thus be able to give your own "Mighty I AM Presence" and the Ascended Masters the greatest assistance to set you free.

DO NOT BECOME FOOD FANATICS! Use a good sound sensible balanced diet, without too

many things in the same meal. Three or four good, substantial, tasty things is a wonderful balance and if the body is kept clean and free from excess substance, there will be no abnormal craving for great quantities of food.

Feed the body what it needs to enable it to give the greatest assistance to you in your daily activity in the most efficient way; but take your mind off the body the rest of the time and do not let it constantly demand your attention when you should be co-operating with your "I AM Presence" to accomplish the most possible for the protection of America and the Victory of the Ascension for yourself.

This Ascended Master Law is GOOD SOUND SENSE—APPLIED ALL THE TIME. Every human being on earth CAN prove It right and no one can prove It wrong; but in order to prove It you must apply It and you are your own proof of Its Truth.

You MUST DRAW FORTH AND USE ASCENDED MASTER DISCRIMINATION IN ALL YOU DO, OR YOU WILL NOT BE OF ANY REAL ASSISTANCE TO YOURSELF OR THE ASCENDED MASTERS IN THEIR ACTIVITY OF HELPING MANKIND TO BE FREE.

We shall try and give one good recipe each month to help those who are in need of good tasty dishes, to have the right things to produce Perfection.

· MUSHROOM COMBINATION No. 1 ·

6 cups celery, washed and cut into inch-lengths.

1 box mushrooms, washed and cut into about inch-sized pieces.

Add to celery and fry rapidly in ¼ lb. butter until all are slightly browned.

Add salt to taste.

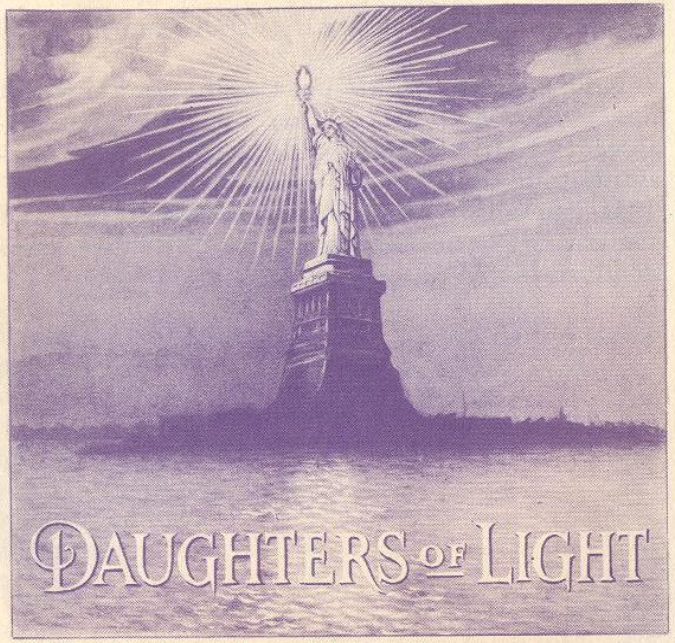
Add 1 heaping tablespoon savita and one pint hot water. Boil all together until savita is dissolved. Thicken slightly with flour. Stir constantly and simmer until creamy.

If you wish to make a quantity of this and something a little more substantial, add three cups of diced boiled potatoes.

· DECREES ·

"Mighty I AM Presence!" direct Your Currents through my optic nerves; through my eye-balls and annihilate cause, effect, record and memory of whatever has dimmed my sight! I call on the Law of Forgiveness for whatever has caused it! Charge my eyes with Your Perfect Ascended Master Sight forever!

"Mighty I AM Presence!" and Great Host of Ascended Masters charge this day (or condition) full to over-flowing with huge, enormous, stupendous, gigantic, colossal, Herculean Ascended Master Miracles and Victories of Light; instantly manifest, eternally sustained and ever-expanding; and see that there is nothing left but Thy Blazing Glory.



THE principal discordant qualities all of us should call to have annihilated for all mankind are anger, hate, injustice, resentment, jealousy, curiosity, self-pity, and irritation. None of these qualities can be taken by us into the Ascended Masters' Octave of Light!

Everything your eyes rest upon IF YOU FEEL IT—photographs instantly on the cells of your flesh. Never miss an opportunity to call on the Law of Forgiveness for the same qualities in yourself that you see in others. Say: " 'Mighty I AM Presence,' take out of my feelings everything

KNOWN or UNKNOWN that interferes with Your Light."

First, call on the Law of Forgiveness for any of these qualities in yourself and then for all mankind. Then, ask the Great Group of Ascended Lady Masters, who are directly in charge of this Activity, Astrea and the Archangel Michael to annihilate those same qualities in every human being on the face of the earth and in its atmosphere. Whenever you see these qualities ask that they be dissolved in every human being on the earth that very instant.

Do you realize that resentment or rebellion against injustice is the greatest chain, outside of fear, mankind has to-day? When humanity resent things that are not the Highest Purity of Life, their feeling of rebellion charges the very atmosphere we breathe with that same feeling of rebellion and it acts in us, if we do not shut it out. If our energy is qualified constructively our power is greater. If qualified destructively, then our struggle is greater!

Women are experiencing in a feminine body the results of the causes set up in other embodiments as men. Men are experiencing in masculine bodies the effects of the causes set up as women in former lives. In this way, each one compels himself to live under the conditions he has imposed upon others. If there is injustice, say: "That probably is what I did to somebody else," and never condemn! Say: "Thank God, this Ascended Master Instruction of the 'I AM' and Its Light are here. I have been given the Knowledge of the Presence to STOP the condition and I do understand how to lift mankind out of this state."

Just thank God somebody showed you how to dissolve that much of the discordant pressure of earth. Put your own personal feelings and desires aside for the greater service to the whole. The whole can only be raised as the part is illumined and raised. Ask the "Mighty I AM" to take all discordant qualities out of your whole Life Stream. That means every activity of your Life all down through the centuries. Pour the Violet Consuming Flame upon them. Then charge that energy with the Ascended Masters' Purity and Perfection to give you your Eternal Victory of Light in this embodiment. That is your Scepter of Power, use it to serve your fellow-man and set all free.

Our Beloved Ascended Lady Master, Nada, said in Washington: "We are gathering all of that constructively qualified energy and are focusing it into your use for the instantaneous fulfilment of your call."

In daily contact with public servants in our country, feel obligated never to speak one unkind word to any public servant. Draw a wall of Light between you and the person and be silent. This will enable the Ascended Masters to do the greatest good for the other person. People in public service are a vortex of many lines of thought and feeling. Call for Light to be turned into the problem of every one for our duty is to lift the problems of the world.

Especially give your blessing to the policemen, firemen, aviators, postal employees, attendants in hotels and taxi drivers. Never radiate one unkind feeling to those people again. If you want the protection of the Ascended Masters from now

on, you must do this as They cannot give it to you, if you are going to continuously connect with the discord outside, through your feelings. The atmosphere is charged with forces that will dash in if you are not harmonious. You cannot speak a sharp word harmlessly. "We speak ONLY when our words are more GOLDEN than our SILENCE." Then, the Power of the Silence can protect us and render Its Greatest Blessings.

No matter how much injustice has been done to you in this lifetime, close the door! Lock it! and promise yourself, the "Mighty I AM Presence" and the Ascended Masters, that you will never again refer to any incident in your Life Stream, which is not the Happiness and Perfection of the Ascended Masters. Call the "Mighty I AM Presence" and the Ascended Masters to take into oblivion every record in your Life Stream that does not Out-picture Perfection.

Saint Germain told us one of the most amazing, encouraging things. Do you know that no discordant record in your Life Stream is a permanent nor eternal thing? Otherwise you would have an eternality of evil. The only thing that is eternal in your Life Stream is the Perfection which has been and which you call forth from now on through your own "Mighty I AM Presence."

Let us be, first of all, a Protecting Presence! Hold within yourself a great, calm Peace and if vicious forces try to drive in, say to the Ascended Masters: "Blaze your Wall of Light protection about me and see that nothing but your Perfection touches me."

The law will not work Itself. It requires your application. Do not sit down and read a book of

Discourses and think you will get your Freedom just from that! You must put your own Life energy into your application and make a business of it. You make a business of taking your money to the bank each morning, or whenever you go. Well, make a business of accumulating this Power of Light, not only for your own protection, but if you are going to protect and help others, you must have a momentum of energy great enough to be the pressure that propels Perfection to them, which like a magnet draws them up into Itself.

If your entire Life Stream is cleared, an Ascended Master will pour through you Power without limit to assist yourself and others; but you will have to balance this Power by Self-control of your thought and feeling in the physical body; and that means your innermost secret thoughts and feelings must be clean and pure enough for Saint Germain's and Jesus's Light to pass through.

This happens all over the world. In the atmosphere you know are the words that have been spoken by mankind and they are of all varieties. A great many words have gone into the atmosphere of earth that are very destructive. They are just cups of energy vibrating with that destructive quality. Sometimes in your meditations some of those words hammer in at you. When something drives in that is less than the Ascended Masters' Perfection, say: " 'Mighty I AM Presence,' I call on the Law of Forgiveness for that kind of consciousness in the whole human race. 'Mighty I AM Presence,' Great Divine Director and Great Host of Ascended Masters, sweep through with the Blue Lightning of Divine Love

and blast that kind of consciousness forever! Annihilate its cause, effect, record and memory from mankind, the earth and its atmosphere forever. Then seize that energy, purify it and send it forth like a mighty magnet to draw all humanity into the Ascended Masters' Purity, Freedom and Perfection of the Light."

Unless you understand the Inner activities of these things, you cannot wield Limitless Power. Keep silently pouring the Light into all conditions that need correction.

A gentleman in business who has been in This Work from the beginning holds himself perfectly calm and quiet and says: "I pour the Substance of Light into that person's mind and body and when that one wants to be ugly about something else I say: 'Look out! Don't say one word about anybody else that you don't want to take into your body. If you do, you will have to take it!' " He has had some of the most amazing experiences. He said: "I just sit there and when a lot of men begin to wrangle, I pour in the Light just like you turn on a fire hose. When it is flooded full of Light, everything is harmoniously adjusted."

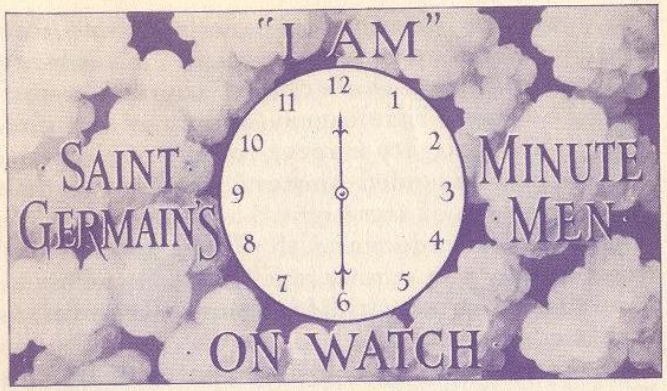
"Mighty I AM Presence!" I call on the Law of Forgiveness for the mistakes of all mankind! I call forth Thy Violet Consuming Flame to take their place! and produce Purity, Perfection and the Victory of the Light forever.



The hour has come to see the shining face of your "Mighty I AM Presence"! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!

· Extract from Mr. Rayborn's Discourse ·
· in Seattle, September 25, 1938 ·

BELOVED Minute Men of Saint Germain, I say to you one of the most deadly things in America to-day, as the Mighty Victory has told you, is the subtle secret activity of dope. The marijuana weed, which has become so generally known among mankind, is destructive enough; but that is only the feeder to other things that absolutely wreck the feeling world of mankind. Remember, gentlemen, the tragic activity of those substances! All those things are substance! They are not like just a mental activity. They are substance and if that anchors within your feeling world, you are under its possession and claw.

Therefore, I urge you to watch! Stand guard

and under no condition take such a thing into your system; because it will begin to act in your feeling world and before you know it, your feeling has become wide open to the mass accumulation of destructive forces; your desire for the Higher Ideals is gone; and you sink under that nefarious thing. There are thousands in America to-day who are under that tragic, terrible influence. Only one who is familiar with the effect produced by it, can by looking into the eyes of the individual tell what is there. You do not realize how cunning the sinister force of human discordant creation is; because it will watch every individual, while in the presence of another. Unless you can detect it in the eyes, you will not know it is there in the other individual.

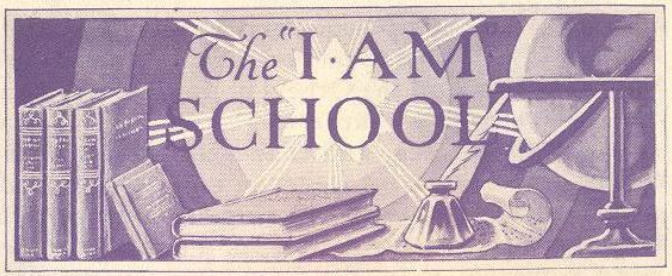
This point is so subtle, that the average individual would never detect it in the world. It is in the feeling world of the individual. This vicious substance goes forth by the power of radiation. For instance, if you eat onions or garlic you will find the odor going forth from your body and from every cell in your body. In identically the same way, this substance will go forth through radiation from the marijuana weed and produce the same condition in others. Dope flows through radiation and touches the feeling world of others. Then, the individual has been a part of putting that essence into the feeling world of another individual. If it continues, it will create the same desire within the individual and will draw them into its use and destruction.

Such is the responsibility of each one to his fellow-man. We have seen that operating. There is a man who is an aide in the government, or supposed to be. Yet, he has become such a user of

dope that his family are in the gravest danger and the family does not even dream of such a thing. His wife and two beautiful children are in gravest danger by the radiation which is going forth from him. We are determined to shut that off and not allow them to pay the penalty for his mistake! We are proceeding to erase that and cut it off from coming into their world; but We cannot do that for all mankind. Because of the Light of his wife and children the Great Law permits Us to give Our Assistance.

This is the condition that is existing in many parts of America to-day; and you who understand this as Minute Men of Saint Germain and the "Mighty I AM Presence," must make the call for Help. As We have the opportunity, We shall put this forth as often as possible to the Minute Men of America that they may make the call.

Now, gentlemen, you represent the Out-pouring of Life, the "Mighty I AM," into the business world. So far no special direct effort has been made to drive forth this Understanding into the business world; because certain other activities had to be brought forth first. Now it is time for the call to be made. Remember, that your call to the "Mighty I AM Presence" is a thousand times more powerful than any human effort you can make. Many times, following your call, you are impelled to make certain human effort. You will be *compelled* to do the right thing in the human effort, if you have made the call first; but do not always jump at conclusions in the prompting. Analyze and see whether it is wisdom or not. Then, soon, you will come to know the difference between a general impulse and the direct impulse from your Presence. This is important!



· Extract from Mr. Rayborn's Discourse ·
· in Seattle, September 25, 1938 ·

(The following is one of the most important things for everyone to remember in the use of his own Life and energy.)

PLEASE understand that the Power of Light is not something you have to drag forth by force; but your harmony and attention to your individualized Presence of Life, which is the "Mighty I AM," as you observe by the Chart, will naturally flow through you to do all for you perfectly. Life always has wanted to release Itself but, because of the discord in the feelings of mankind which constantly clothed It, the Higher Mental Body, which is the discriminating and distributing Intelligence for this Mighty Energy, saw how useless it was to release greater and greater energy of Life into the use of the individual when that one was constantly re-qualifying it with discord. This is why mankind have not had more of Life flowing through; because as long as they continue to re-qualify Life's energy with discord, it is a dangerous thing.

Do you realize your Life is the most Dynamic Power in the Universe? You can call forth and

charge all Life to be as powerful as you require; as I find Myself able to do now, and as I have seen Saint Germain and the Others do repeatedly. You can call forth and charge the Energy of Life to do what you decree; and that is all there ever is to act whether It be force or energy so-called or whatever It is that is acting. As you call It forth, you can concentrate It and cause It to be more powerful than the dynamite you use for blasting.

In the Activity of Life, the Great Ones use a Light Ray in preparing many places in the Universe that contain the Great Information which the Ascended Masters govern and protect. You use and I used in the mine, machine drills and electric drills to break down the formation; while They stand and concentrate a Ray of Light and can do more in ten minutes than four men with those drills can do all day.

This is the Power of Light and the Power of energy, which is Life, that can be drawn and foused upon a given objective for required activity.

I want you to understand why Life does not ordinarily release Its full amount of Energy. Do not blame Life for not giving you more because Life, if It did release Its Power when you are qualifying It discordantly, would explode the body. Why? Because your heart is the focus of this Great Light which is the Power of the "I AM Presence" and when you call It forth or release It through your body, It must act through your heart. If you would call It forth in a Ray of Light as the Chart indicates, independently of your body, discord could not occur; but when you call

It forth through your body, you must hold in balance by harmony in your feelings, the Greater Power of Life which you call forth. Do not forget this, because many of you are coming to the point of understanding in the call to your Presence, where you are able to release remarkable power and energy.

If you do not understand that you must hold harmony in your feelings, which is co-operation with your call to Life, you will produce destruction instead of constructive activity. Only constructive action is the intent of Life. Your Power of qualification is the most tremendous thing in your use of energy. Your attention to the Presence will release the energy but your Power of qualification must be governed if you are going to be free from the activity of the destructive forces.

Remember, as yet the human creation and destructive forces which mankind have generated, are still operative in and about humanity; not as they were even a year ago by far, but still enough to seize upon discordant energy or discordant feeling within you and cause that destructive force to intrude into your world—either into your body or into your business or any outer activity, which causes failure.

"Mighty I AM Presence!" annihilate this instant everything in my being and world that is less than Ascended Master Perfection!

"I AM" STUDY GROUPS

BELOVED "I AM" Students in all Study Groups, please do not allow the social activities of Life to enter into your Study Group Activities. This Ascended Masters' Instruction of the "Mighty I AM Presence" is brought forth for the PROTECTION OF AMERICA AND THE ILLUMINATION AND FREEDOM OF ALL MANKIND.

Every moment should be spent in giving your Decrees for the protection of all that is CONSTRUCTIVE in America and the world. Every hour counts and there is no time to be used now for amusing the human side of anyone. What social life anyone under this Radiation wants must take place outside the Group Activities.

We who are giving our all in the Service of the Light, know the hourly danger that threatens Our Beloved America and are more concerned with the protection of our fellow-man than we are with our own social amusement. The world has been amusing itself for centuries and the chaos of the present hour in the outer world is the result of being more interested in amusement than in obeying the Law of Life and obtaining our ETERNAL FREEDOM AND MASTERY.

Our Beloved Ascended Master, Saint Germain, has also requested that in our musical activities there never be allowed any whistling and that we do not use brass nor drums in the ladies' part of This Activity.

The Ascended Masters want us all to Outpicture the PERFECTION of Their Octave of Light and that will come about more and more rapidly, if all will accept the Ascended Masters' Standards in all we do. Most of the students are trying to be the Ascended Masters' Perfection very sincerely. We shall all keep on trying, until our Eternal Goal is attained and in the meantime do all in our power to raise all our activities as near the Ascended Masters' Perfection as we can.

We thank those under this Radiation for all that has been accomplished up to this time. With the momentum already gained, we should go forth into the Glorious Victory of the Light in all we do and bring forth Mighty Assistance to mankind everywhere. Let us all do that with our heart's deepest Love and Power; and may each one receive a thousand times more strength than in the past until the whole wide world is ETERNALLY FREE AND VICTORIOUS IN THE LIGHT!

· DECREES ·

"Mighty I AM Presence"! take out this pain! its cause, effect, record and memory and replace it by THY ETERNAL PEACE!

"Mighty I AM Presence"! charge the atmosphere over the United States of America with the All-seeing-eye and the All-hearing-ear of GOD! Reveal and remove forever every spy and all in our country and people which endanger our safety and constructive activities.

FOREIGN STUDY GROUPS

WE wish to thank all the Foreign Study Groups who have been giving the Decree for the protection of the Constitution of the United States of America and for the wonderful heather sent to us from Scotland. May all you do in the Service of the Light be amplified back to you a million times to bless you and yours forever.

We call the "Mighty I AM Presence," and the Ascended Masters, the Great Angelic Host and all the Great Cosmic Beings and Powers of Light to pour to you all forever Their and our Mightiest Love and Gratitude and to fill you, your loved ones, your homes, your countries and the world with such VICTORY, POWER, PEACE, SUPPLY AND DOMINION OF THE ASCENDED MASTERS' LIGHT, as shall bring everything into Divine Order harmoniously and permanently.

May the heavens open and make every country in the world be a PERFECT PARADISE of Ascended Master Beauty, Purity, Happiness, Opulence, Freedom and Perfection and raise every human being on earth into their Ascension as quickly as possible.

We shall continue to call forth all the POWER AND VICTORY OF THE LIGHT OF THE "MIGHTY I AM PRESENCE" FOREVER; UNTIL THE LAST HUMAN BEING ON EARTH HAS MADE THE ASCENSION.

YOUNG AMERICA

· Extract from Mr. Rayborn's Discourse ·
· Seattle, September 25, 1938 ·

(The following is most important for the young people of Our Land.)

YOU must realize, that this Great Law with which you are dealing is a powerful force. It is very powerful energy. Therefore, remember that the most valuable thing to you is to understand that you must keep your feelings harmonious, if you are going to call forth this Greater Power of Life.

I am sure you do not see your responsibility to your business or any outer activity. If you are calling forth this Great Power and then you allow something to irritate and disturb you or make you very angry, you release the whole charge of that feeling into all the energy of your world in spite of anything you can do. If it exists in your feeling, if you have generated it, it goes forth into your world; then *you are responsible* for the failure of your outer activity or business. Most people will not even believe Us when they are told that this is the cause of failure in their own worlds but it is as true as I am telling you. Mankind alone are responsible, because of uncontrolled energy; and I mean by that anger, hatred or any of those qualities which release a charge of that discordant quality into your world.

Those discordant qualities in the individual's feeling are what produce limitation, failure and distress; but if you will understand this point and watch that you do not allow such feelings to generate and re-qualify the energy in your world, you will go forward quickly from one Victory to another in all you do.

Suppose you have an activity in your business that you especially want to make very successful; and you were to call forth a great charge of energy and project it into your business. This great charge which you call forth is the Power, the Love, the Wisdom of the Presence. If you did not hold harmony in your feelings or you did not understand this Law and re-qualified that energy destructively, then you would be responsible for the failure of your business. On the other hand, you can call that Power forth and hold yourself harmonious in spite of anything; you can hold the concentration of that steady and you would achieve success with a speed that would astonish any person who is not familiar with this Law.

Now, if you wish to achieve success, you know how to go about it. I tell you, Beloved Ones, if you have not a dime in your pockets to-day, there is nothing in the world can stand before you or between you and your abundance from Life, which is the Treasure-house of your "I AM Presence" if you will start to deliberately call It into action. I do not mean by that, you should proceed to accumulate a great amount of money regardless of what you intend to do with it. The service to Life is the *only proper use of money* and you can have all you want, to-day, if you

understand that because your Presence is your Treasure-house which will release it into your action and use.

Observe that Stream of energy from the Presence. (pointing to the Chart) It contains all that ever came into expression in Life. The idea, the energy, the Intelligence are there which have produced all good through all human beings. Therefore, as you understand that, you will see how human beings are never limited as to what they can call forth.

Then, you will feel your own ability to call forth this Greater Intelligence and Activity of Life, to come into your world of action and produce success and it is the only way permanent success can ever be established or maintained. Therefore, if you will give attention to this Ascended Masters' Instruction of the "Mighty I AM Presence" and try It out, you will see by your own experience the Truth which it is. All of these activities of Life mankind must prove to themselves. You can do Me the honor to believe I tell you the Truth; but you cannot know It, until you have proved It to yourself. That is why the Mighty Instruction which Saint Germain has brought forth to you is so important. You can *prove* the Activity, the Presence and Authority of Life which is manifesting through your own physical body.

That you may see why this Great Power of Life is also Its Mighty Intelligence, take your beloved Edison for instance. Through a few early experiences, he became convinced, that he had the Power to draw forth whatever he fixed his attention upon; and through that, many things

came forth upon which he had not fixed his attention; but the concentration enabled him to bring forth all of these marvelous things which it is your joy to experience and use to-day.

That is only one activity of this Mighty Activity. Anyone of you sitting in this room, who would still himself and concentrate on any given objective upon which you wish to fix your attention, can call that forth into your Life, a concentrated activity and experience. You can even see a building in its entire physical form. You are not limited, in anything you wish to fix your attention upon and hold it sustained; but the difficulty with mankind is in their not understanding this Law. They have not held their attention long enough upon a thing to allow the flow of Life to be sustained there, until the individual could see it. If they did, they would have the proof and manifestation of the Power of their attention and what it does to hold and concentrate the Power of Life, until It finds Its full expression.

If you care to take hold and apply this Law, you must be in earnest. You cannot afford to have any wrong motive in your being. If you do, you pay the penalty for it as sure as the world. There was a day, only forty or fifty years ago, when mankind could deceive each other and did do it, but it can seldom be done to-day; for the reason that the Great Cosmic Light is making all mankind alert; and they sense and feel the motive in other individuals in spite of all they can do. Therefore, shortly, it will be impossible for any wrong motive within individuals to be hidden.

Those who will take hold of the constructive

activity of Life will be able to render a service beyond your fondest imagination to-day. Only as you apply this Law and continue to call forth Its full Power, will the Inner impulse impel you into things. You will go from one thing into another successfully, until you find the full volume of Life acting within you to produce results. As you decide how this energy is going to act—for you are the decreer of your own world—you can at any time place your attention upon any constructive activity you choose and fulfill your fondest desire almost immediately.

In the past, mankind had to work up through years and years of preparation; but it is entirely different in your understanding of the "Mighty I AM Presence" and Its Mighty Focus which is before you. The speed and power of action in your call to the Presence, will cause an accomplishment to take place at this time in a few weeks or few months, that a hundred years ago would have taken years to accomplish.

· MUSIC OF THE SPHERES ·

IT is our very great privilege and joy to announce the release of three new pieces of music, which have come forth to carry tremendous blessing. They are charged with the Ascended Masters' Power of healing, illumination, protection and harmony to the "I AM" Students, America, mankind and the whole world. Their power to bless shall never cease, but instead shall ever increase.

The first song is LIGHT OF MY HEART, the music and lyrics of which both came through the Beloved Messenger, Mr. G. W. Ballard, who uses the pen name of Godfré Ray King. The likeness of the figure on the cover is that of his Higher Mental Body and the Light from Its Heart is charged into the music, lyrics and picture to go forth and release Its Perfection to all who hear, sing, play or contemplate it.

The second song LOTUS MY LOVE also came through Godfré Ray King and the likeness of the figure on the cover is that of the Higher Mental Body of Lotus Ray King. The Outpouring from Its Heart charges the music, lyrics and picture to go forth to release Its Perfection to all who contact it.

The third song is THE ASCENDED MASTER YOUTH OF AMERICA, the music and lyrics of which came through Virginia LaFerrera; and which is dedicated to the Ascended Master Youth of America and the world. It is especially charged by the Ascended Masters with protection, blessings and the Power of the Light to bless all young people forever.

The musical arrangements have been made by Vinton and Virginia LaFerrera and the illustrations on the covers have all been done by Mae DaCamara.

These songs come forth to carry tremendous Blessings to all. They are charged with the Power of Victory and Light to bring the Victory of the Light everywhere they are heard, sung or played, or the pictures contemplated.

They shall charge the "I AM" Students, America, mankind and the whole world with the Ascended Masters' Almighty Power of Light, until the Eternal Victory of Life takes Its Dominion forever.
